MOHITHESH H U

ABOUT ME

I am an enthusiastic and detail-oriented aspiring Front-End Developer with a solid foundation in HTML, CSS, and JavaScript, and hands-on experience with React. Currently pursuing a Bachelor of Computer Applications (BCA) at Acharya College, where I am in my second year. I have successfully completed a comprehensive Front-End Developer program with Meta, which has equipped me with practical skills and knowledge in creating intuitive and responsive user interfaces. As a quick learner and avid technology enthusiast, I am committed to staying current with emerging trends and technologies, particularly in React. I am eager to bring fresh perspectives, innovative solutions, and a strong work ethic to a dynamic development team.

SKILLS

- Programming Languages: HTML, CSS, JavaScript
- Frameworks/Libraries: React.js (since you mentioned this specifically), Bootstrap, jQuery
- Version Control: Git, GitHub
- Responsive Design: Media queries, Flexbox, Grid Layout
- Browser Developer Tools: Chrome DevTools, Firefox Developer Tools
- Front-End Build Tools: Webpack, Gulp

EDUCATION

2022
Bachelor Of Comptuer Application

CAREER OBJECTIVE

To secure a challenging position as a Front-End Developer where I can utilize my skills in HTML, CSS, JavaScript, and React to contribute to the creation of cutting-edge web applications. With a strong academic background in BCA and practical experience gained from Meta's Front-End Developer program, I am eager to apply my passion for coding and problem-solving to deliver high-quality, user-centric solutions. I aim to continuously enhance my skills, collaborate effectively with team members, and contribute to the success of innovative projects in a stimulating work environment.
